POSTER PRESENTATION GUIDELINES

1. Abstracts for poster presentation will be presented from December 10, 2019, Tuesday, 7:00 AM to December 12, 2019, Thursday, 12:00 noon, at the Reception Hall Mezzanine, PICC.

2. Presenters/Authors may start putting up their posters at 5:00 AM on December 10, 2019. Presenters/Authors should provide their own adhesive and cutting materials.

3. Presenters/Authors are expected to stand next to their posters from 12:00 noon – 1:30 PM on December 10 and 11, 2019.

4. Presenters/Authors should remove their posters by 12:00 noon on December 12, 2019. The organizing committee will not be responsible for destroyed, removed and/or lost posters after the said date and time.

5. Specified spaces for poster presentation will be labeled with the abstract ID numbers and name of the author.

6. The poster should fit in a 2.4-meter tall by 0.96-meter wide panel board. Font size of text should be no smaller than 1 centimeter in height, and larger fonts will be appreciated, as space will allow.

7. Authors should also include the following information on the poster: (1) funding disclosures, and (2) best way to contact them for questions/comments (email, website, etc).

Floor plans for the location of Venue Facilities are included in the Congress souvenir program. This will also be uploaded in the MSD meetings apps for the Congress.

For special requests and other queries, you may email Dr. Annah Rebecca V. Doroja, Chair of the Research and Abstracts Review Committee at avdoroja@yahoo.com.
